 : Height: 20,4

Product information

The EXIT Aksent Sandpit XL is a unique sandpit for children. A child can enjoy playing in it, making sand cakes, creating roads for toy cars, etc. It is made from sustainably produced wood in a sleek design. Its soft colours in grey and natural also look lovely in the garden! One advantage of the EXIT Aksent Sandpit XL is that it afterwards can be closed by means of a lid. This keeps the sand dry and clean. Moreover, you can turn the cover into 2 benches wich makes playing even more fun! The amount of sand that goes into the sandbox if half filled: 230kg, when fully filled: 460kg. (1,6kg/dm³).

Wood characteristics:

- Chinese Cederwood
- Sustainably produced wood (FSC 100%)
- Thickness of the upright parts: 20mm
- Thickness of the horizontal part: 15mm

"alleen producten als dusdanig aangemerkt op dit document zijn FSC® gecertificeerd." (SCS-COC-000652-WH)
